

Mobile Phones Parental/Guardian Permission

Mobile phones should only brought into school for safety reasons – for those who travel to school unaccompanied - and we therefore request your support in this matter.

No mobiles are to be allowed in school unless a permission slip is completed. The mobile must then be stored in the school office. It is kept there at the owner's risk.

Please complete the form below and return it to the office.

Name of Pupil.....Class

Make of Phone.....Model

Telephone Number of Phone.....

Reason

.....

Parent's Signature..... Date.....

Parent's Name.....

All details will be held securely in line with GDPR guidance.
